2. The said male was identified as Ryan Nagel (DOB (c) [redacted]) who was contacted by his sister Julie Nagel (DOB (c) [redacted]) asking for a ride home, while visiting with her friend Brian Albert at 34 Fairview. Ryan came into the Norfolk District Attorney's Office for a prescheduled interview on Monday, February 7, 2022 at 2:35 PM. The following is a summary of information requested and provided by Ryan during that interview with Tpr. Proctor and me.

3. Ryan confirmed that he was contacted by Julie, requesting a ride home. At the time Ryan was with his friend Richie D'Antuono (DOB (c) [redacted]) who was driving his gray in color Ford F-150 pick-up truck with Ryan seated in the front passenger seat and Ryan's girlfriend Heather Maxon (DOB (c) [redacted]) seated in the back passenger compartment. Ryan recalls Richie driving down Cedarcrest Rd. from the direction of the Kennedy Elementary school. As the F-150 approached Fairview, Ryan remembers seeing a set of headlights of a mid-size black SUV coming from the opposite direction of Cedarcrest. Subsequently Richine yielded to the vehicle allowing it to make a right hand turn onto Fairview as their F-150 then followed making a left hand turn onto Fairview.

4. Ryan told us that Richie stopped the F-150 directly in front of the driveway belonging to #34 Fairview, and remembers the black SUV stopping along the right hand curb towards the left side of the property as you look at the home from the street. When asked, Ryan stated he did not observe any erratic operation by the SUV as it turned from Cedarcrest onto Fairview or at any point while in his presence.

5. Ryan went on to say that their F-150 remained in front of the home for a period of time that was no longer than five minutes at which time his sister Julie came out of the home and asked if the three of them would like to come inside. Ryan refused the invite and Julie stated that she wanted to stay a while longer and would most likely spend the night at 34 Fairview. Upon conclusion of their conversation, Julie retreated back inside the home, and Ryan noticed the that SUV pulled up a few feet to the far edge of the property line between #34 and the neighboring property where the flagpole was located along with some bushes. Ryan stated that the SUV's driver did not appear to place the vehicle into "Park" as the rear brake lights were illuminated to include the third top center light at the initial positioning and after it had pulled up.

6. Tpr. Proctor asked Ryan if at any point he heard screams, yelling, or any noise coming from the black SUV while he was on Fairview, to which he stated "No". Ryan added that as Richie pulled away from 34 Fairview, their F-150 drove passed the black SUV, at which time Ryan observed the interior light on and a Caucasian female operator seated inside the vehicle holding the steering wheel at the 10 and 2 looking straight ahead of her. Ryan told us that he did not see anyone else inside the passenger compartment during his brief observations of the SUV as they drove by it. Ryan did not see the SUV leave and did not note any damage to the vehicle as he remembers.

7. When asked, Ryan stated that it had just started snowing approximately half an hour prior and there was a coating of snow on the ground. While present in the area of Cedarcrest and Fairview, Ryan did not see any other vehicles operating besides the F-150 and the black SUV. Without having anything further to provide about the evening, Tpr. Proctor and I concluded our interview with Ryan.

Respectfully Submitted,
